---

## Summary

Passionate Mathematics undergraduate at Toronto Metropolitan University with a strong academic foundation in advanced mathematical theory and problem-solving. Experienced in tutoring and mentoring students, with an ability to convey complex mathematical concepts clearly and effectively. Currently seeking new employment opportunities relevant to my educational pursuit.

## Experience

### **Volunteer Mathematics Tutor** Harbord Collegiate Institute | 2018 – 2020

- Provided one-on-one and small-group tutoring to high school students in mathematics topics from grade 9-11.
- Provided biweekly tutoring sessions for 2 years during the school term

## Education

### **B.Sc. Mathematics and its Applications** Toronto Metropolitan University | 2022 – Present

- Relevant Coursework: Calculus I & II, Multivariable Calculus, Differential Equations, Statistics and Probability , Discrete Mathematics, Linear Algebra, Real and Complex Analysis.

### **High School Diploma** Harbord Collegiate Institute | 2016 – 2020

- Graduated with Honor Roll distinction

## Skills

- Familiar with all K-12 Mathematical Topics
- Effective tutoring and communication techniques
- Proficiency in LaTeX, MATLAB for computation and presentation
- Strong analytical writing and logical structuring skills
- Time management and organizational discipline in academic settings

## Certifications

2022 – Present	B.Sc. Mathematics and its Applications — Toronto Metropolitan University
2016 – 2020	High School Diploma — Harbord Collegiate Institute
